Tax Time...

Tax Deadline

The April 15th deadline for filing individual income tax returns is fast approaching. We are working diligently to accurately complete your returns. Providing we receive your tax information before **April 1st**, we will do everything possible to complete your return by the deadline. Otherwise, we will be happy to file an extension for you. With the requirement to electronically file all individual income tax returns this year, please be available to communicate and sign forms quickly to avoid late filing.

Estimated Tax Payment Reminder

For those individuals who remit quarterly estimated tax payments, the 1st quarter estimated tax payment deadline is April 15th. If we may assist you with the filing of your vouchers, please do not hesitate to call.

Louisiana Tax Issues

Please remember to include a copy of the declaration page from your homeowners' insurance policy so that we are able to maximize your Louisiana Tax Credits. Also, please include any amount paid for tuition, school supplies, textbooks and uniforms spent for your dependent child who attends private or public school grades kindergarten through 12th grade. This will allow us to maximize your Louisiana deductions.
